DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

I understand I will be required to disclose any potential conflicts of interest related to this work, in compliance with the International Committee of Medical Editors' guidelines.

COPYRIGHT TRANSMITTAL STATEMENT

In consideration of the Korean Retina Society (KRS) taking action in reviewing and editing my (our) submitted manuscript, the author undersigned hereby transfers, assigns, or otherwise conveys copyright ownership of the text and any accompanying images (including video) to the KRS in the event that said work is published by the KRS. The copyright so conveyed includes worldwide rights to any and all subsidiary forms of publication now known or hereafter developed, including print, electronic, CD-ROM, and Internet. These rights include using the material in whole or in part, to prepare derivative works, and to publish the material individually or as part of a collective work. The author(s) declares that the manuscript is original, has not been submitted to or is not under consideration by another publication, has not been previously published in any format.

AUTHORSHIP CRITERIA AND CONTRIBUTIONS

By submitting this manuscript, I certify that I have made a direct and substantial contribution to the work reported in the manuscript in at least the first 2 of the following 3 areas: 1) conception and design of the study, data collection, or analysis and interpretation of the data; 2) writing the manuscript or providing critical revision of the manuscript for intellectual content; and 3) statistical expertise; obtaining funding; administrative, technical or material support; or supervision. I also certify that I have given final approval of the submitted manuscript and agree to allow the corresponding author to serve as primary correspondent with the editorial office.
